GREAT BRITISH HIGH STREET

2019

COVERING GREAT BRITAIN AND NORTHERN IRELAND

ANNOUNCEMENT DATE

We would like to take this opportunity to thank everybody that helped in the competition and everyone that voted for Treorchy. The Judging day was absolutely brilliant and made us feel extremely proud to be part of such an amazing community.

To be shortlisted as one of Three in Wales and one of twelve in Great Britain is a fantastic achievement, but we truly believe that we are in with a really good chance, and we've got you to thank for that.

Due to the General Election and the rules surrounding Government campaigns in the pre-election period, the Great British High Street Awards Ceremony has been postponed until Thursday 23rd January.

We are looking forward to a great Christmas in Treorchy and this will give us something to look forward to in the New Year

We're the **TALK OF THE TOWN**

The Carnegie Trust have conducted international research on towns that had transformed their fortunes and found that a clear narrative was an important part of their success. All of the towns featured in the research had a sense of purpose and understanding of their history, which translated into a clear story about the town that local residents bought into, and was visible to external visitors. The stories of the places were the real, lived experiences of people there, and were built upon until they became an integral part of the local narrative. These stories developed into what the town is 'known for', and into how it sells itself to visitors.

To support storytelling in towns, the Trust have chosen two towns in the UK to take part in their 'Talk of the Town' programme. We are honoured to be one of the two towns chosen and will receive support to help us tell our story. Training will be provided to help plan, articulate and present our story, at an event attended by policymakers, practitioners and political representatives interested in supporting flourishing towns.

TREORCHY NEEDS YOU!

Our community has great culture and heritage, and is steeped in history. We were once the coal capital of the world, with the first million-pound cheque coming from the coal in our mines. With a penny from the pound, our forefathers built some of the great building we use today.

It is the people that make the place and we need your help to tell the stories of Treorchy, the Rhondda and the people that live here. We need to know what makes us unique, and we want to know your version of our history and heritage. We would like to know your story and what it means to live in the Rhondda.

Story telling is a great way of keeping hold of the past for future generations. We will collate all these stories into the 'Talk of the Town' project, to be enjoyed by all. You can write your story on paper, email or on our website.

FURTHER INVESTMENT IN THE PARC & DARE

RCT Theatres has been working with specialist advisors as part of The Arts Council of Wales' Resilience Programme, to identify ways in which the Park and Dare Theatre can fulfil its creative ambitions as an Arts Council of Wales Portfolio Client that is committed to producing and presenting high-quality theatre performances that resonate with local audiences.

The plans also include the redecoration and refurbishment of the Lounge Bar, including the bar server, and the creation of an accessible dressing room alongside the development of a well-equipped, and flexible performance space during the 2019/20 financial year.
